

Challenges and Successes Using Moodle

Andy Sellwood

Centre for Teaching, Learning and Research

Impromptu Networking

- Pair up, preferably with someone not in your regular work group
- Each person takes 2 minutes to answer the following question:

Impromptu Networking

- What challenges and successes have you had with using Moodle?

Impromptu Networking

- Pair up with someone new.
- Again, each person takes 2 minutes to answer the same question.

Impromptu Networking

- Pair up with someone new.
- Again, each person takes 2 minutes to answer the same question.

Brainstorming

- Using the sticky notes provided, write down as many key points from your networking as possible.
- One key point per sticky note.

Brainstorming

- Put the sticky notes up on the whiteboard.
- Group the sticky notes into themes.
